

CALL FOR PAPERS

INTERNATIONAL FARM MANAGEMENT CONGRESS
SASKATOON, SK,
JULY 7-12, 2024

Join us at the 24th IFMA Congress (IFMA24) held July 7 to 12, 2024 at the University of Saskatchewan in Saskatoon, SK, Canada.

The conference theme for IFMA24 is “Resilience Through Innovation.” In line with the conference theme, the organizing committee welcomes applied and peer-reviewed papers focusing on resilience-driven farm management approaches. Papers examining farm and community resilience through managerial innovations, technology integration, novel financial models, or resilience of new resource management techniques are particularly encouraged.

Along with papers focusing on farm resilience, papers addressing broader farm management topics are also encouraged. These topics may include:

- Marketing farm products (supply chains and value chains)
 - Developing new markets or developing value added products
 - New food products (e.g. organic foods, door delivery, plant-based foods)
- Farm Financial Management
 - New approaches to financing the farm business (e.g. share farming, contract farming, non-farming investors, new generations, international farming)
- Production (internal process perspective)
 - Adoption and integration of precision agricultural technology (e.g. robotics, other new technologies, farm equipment)
- Natural Resource Management
 - Food/Water nexus
 - Managing for growth in a changing climate
- Leadership and organization
 - Developing the future farmer
 - Human resource management
- Strategic farm management
 - Resource- and capabilities-based approaches to farm strategy
 - Entrepreneurship (e.g. diversification & adding value)
- Agricultural Policy
 - Environmental regulations and challenges (e.g. linked to water quality, pesticides, ammonia and GHG)
 - International trade relations

Submission guidelines are to be posted soon in a separate document online. Authors will be asked to submit an electronic version of their paper through the following submission portal <https://cmt3.research.microsoft.com/IFMA2024>.

The final deadline for submission of all papers is 11:59 pm CST March 31, 2024.
